TECHNOLOGY

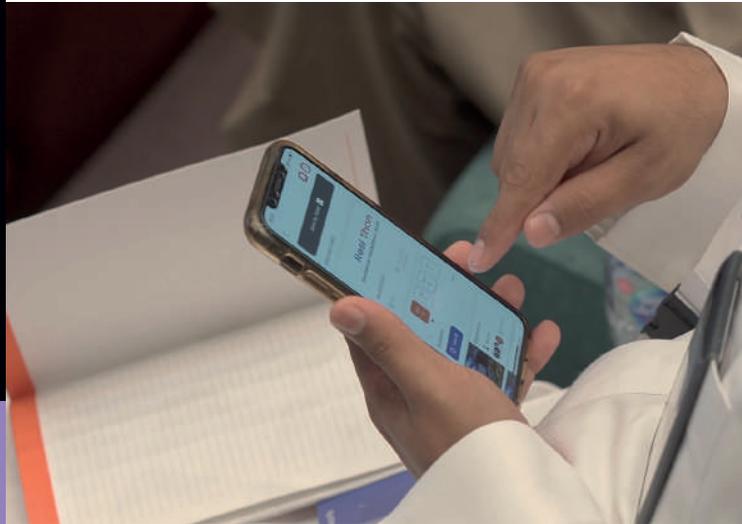

TECHNOLOGY

YA HALAA APP.

Utilizing our extensive expertise in event management, we have developed our own app, Ya Halaa, aimed at ensuring seamless experiences for our clients. This user-friendly app streamlines event registration and provides comprehensive event information for both organizers and attendees. Recognizing the varied requirements of our clients, we have designed distinct user profiles to accommodate a diverse range of participants. Tailored to the unique nature of each event, our app provides personalized profiles for organizers, speakers, mentors, and attendees.

TECHNOLOGY

HOLOGRAM.

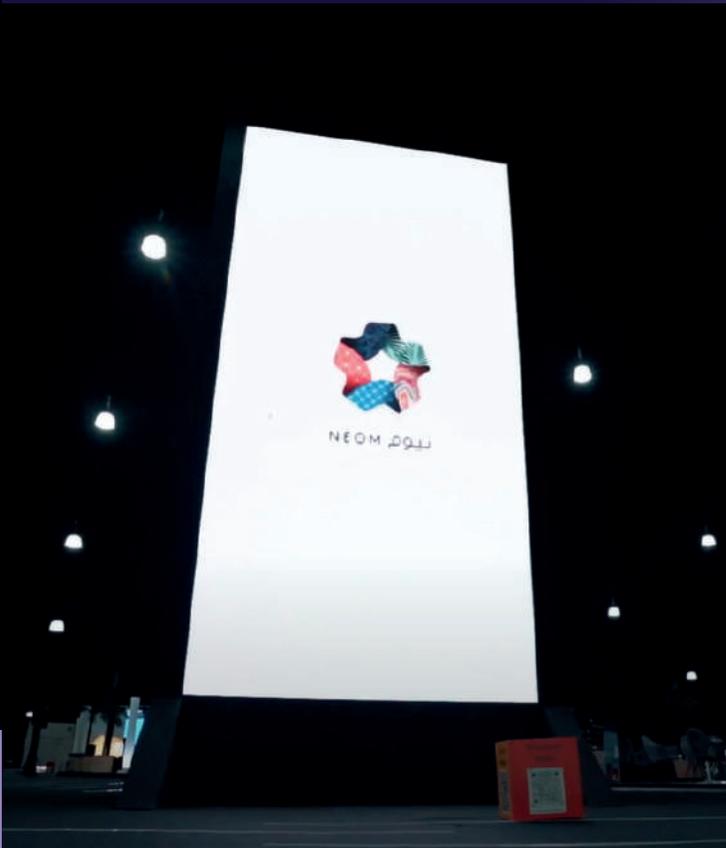

Hologram is an impressive technology that allows to display on stage people or objects that are not present. Some of its advantages include movement, multi-shapes, virtual objects and 3D animations, plus the optional presence sensor allows interaction with the audience.

GLOBAL NATIONAL EXHIBITIONS

TECHNOLOGY

SCREENS.

An LED Screen display is a flat panel display that uses an array of light-emitting diodes as pixels for a video display. Their brightness allows them to be used outdoors where they are visible in the sun for store signs and billboards. You can choose from Indoor and Outdoor screens, 3D LED Screens, Cubique Screens, Curved Screens and Rotating Screens.

TECHNOLOGY

VR SYSTEM.

Virtual reality is a simulated 3D environment that enables users to explore and interact with a virtual surrounding in a way that approximates reality, as it is perceived through the users' senses.

TECHNOLOGY

AV SYSTEM.

An audio-visual system works in sync to produce or emit sound through speakers while displaying content on screens like video walls. AV systems are truly all around us, helping to entertain, inform and enlighten us every day.

GNE
GLOBAL NATIONAL EXHIBITIONS

TECHNOLOGY

LIGHTING SYSTEM.

Lighting is the easiest and most effortless way to direct your audience's attention throughout your event. Depending on the program or agenda, playing with lighting in a creative way draws focus to whatever you wish to – the stage, the exit, a branded wall, parts of the audience, presenters or performers.

GLOBAL NATIONAL EXHIBITIONS

TECHNOLOGY

MEDIA COVERAGE.

Media coverage refers to the attention and exposure received by a person, brand, event, or topic in various forms of media, including print, broadcast, and digital platforms.

SHOWS

SHOWS

STAGE.

Event stage design is the process of adding production elements to a presentation space. The goal is to make the stage look the best that it can while also improving the overall attendee experience. You may design matching spaces across all of your stages or create an entirely new setup for each space. The choice is yours.

GLOBAL NATIONAL EXHIBITIONS

SHOWS

EVENT PRESENTORS.

Media coverage refers to the attention and exposure received by a person, brand, event, or topic in various forms of media, including print, broadcast, and digital platforms.

SHOWS

SAUDI BAND.

The band is a small group of musicians who play popular music such as jazz, rock or pop. He was a drummer in a rock band. Local bands provide music for dancing. A band is a group of musicians who play brass and percussion instrument.

GLOBAL NATIONAL EXHIBITIONS

SHOWS

MUSICAL INSTRUMENT PLAYERS.

Music as an interpretive art is a relatively recent phenomenon. In ancient societies, music plays a ritual role based on an oral tradition and each performer in a sense interprets the tradition but more importantly renews it and transforms it through personal performance.

GLOBAL NATIONAL EXHIBITIONS

SHOWS

CIRCUS BAND.

Circus, an entertainment or spectacle usually consisting of trained animal acts and exhibitions of human skills and daring.

SHOWS

MAGICIANS.

Stage illusions are performed for large audiences, typically within a theatre or auditorium. This type of magic is distinguished by large-scale props. The use of assistants and often exotic animals such as elephants and tigers.

GLOBAL NATIONAL EXHIBITIONS

SHOWS

DANCERS.

Theatrical dance is usually performed in a theater or another public venue; examples includes ballet, jazz, tap, musical theatre and more.

SHOWS

STICK WALKERS.

A straight rod or stick (as of wood or aluminum) that is used to provide stability in a walking or hiking.

SHOWS

KIDS CHARACTERS.

A mascot is a character that represents the symbolic values of a brand. It represents a figure that is created to engage the audience's by giving them something to relate to.

ACTIVITIES

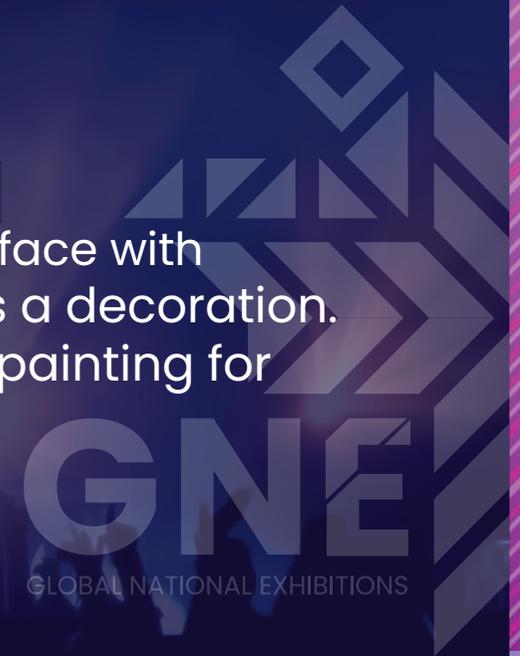

ACTIVITIES

FACE PAINT & HENNA'A.

The activity of covering a person's face with paint, or drawing designs on it as a decoration. The celebration will feature face painting for children, music, and prizes.

ACTIVITIES

KIDS DRIVING SCHOOL.

Giving children the opportunity to experience the actual driving experience, teaching them driving and crossing laws, and giving them months to complete when receiving the driving licence after the end of the tour.

ACTIVITIES

PHOTOBOOTH.

In the age of social media, everyone loves to take their pictures, so photo booths are an ideal way to get together with friends and get instant photo with the background of an event. Custom-print designed photos are available to guests in black and white or color within a few minutes and make for ideal event souvenirs.
